Dear Ms. Molson,

Advisory Neighborhood Commission (ANC) 6A, at our September 11, 2008 meeting with a quorum present, voted to request a postponement of the September 25, 2008 Historic Preservation Review Board hearing on the application for a project at 145 Tennessee Ave NE. We were only just made aware of this project and the application on September 9, 2008. As such, we have not had sufficient opportunity to review the plans or to discuss potential concerns with the applicant.

Our next opportunity for the full ANC to consider this matter will be at our regularly scheduled meeting of October 9, 2008. In the interim, we have invited the owner to discuss the project with the ANC 6A Economic Development & Zoning Committee on September 17, 2008.

On Behalf of ANC 6A,

Nick Alberti
Treasurer, ANC 6A
