Re: Illegal Services Facility at 631 10th Street, NE

Dr. Canavan,

As the Single Member District Commissioner representing the community on the 600 block of 10th Street, NE, I am formally requesting your assistance to ensure the service support facility at 631 10th Street, NE is operating in accordance with the zoning regulations and with a valid license.

In working with the Metropolitan Police Department, it appears this home is being operated as a group home for the mentally ill. We fear the owner / operator does not have a valid license for such an operation. In addition, as this is an R-4 zoned district, we have concerns that services of this nature require a special exception for operation.

Accordingly, can you please send an inspector to determine if the facility is operating legally and send us the results of that inspection; and if required, any subsequent actions taken?

Respectfully,

Joseph Fengler, ANC 6A-02
