Re: Installation of Bicycle Rack by Chupacabra Latin Kitchen/Taqueria (822 H St NE)

Dear Mr. Marcou,

At a regularly scheduled and properly noticed meeting<sup>1</sup> on April 10, 2014, our Commission voted 6-0-1 (with 5 Commissioners required for a quorum) to support the installation of a bicycle rack on public space adjacent to the northern border of Chupacabra Latin Kitchen/Taqueria's sidewalk café located at 822 H St NE.

The placement of a bicycle rack at this location is an appropriate and practical use of public space to the north of the sidewalk café. It will serve as a public amenity to both the patrons of the establishment and the general public who travel to H St NE by bicycle.

Please be advised that Nicholas Alberti, Omar Mahmud and Todd Slove are authorized to act on behalf of ANC 6A for purposes of this case. Thank you for giving great weight to the recommendation of ANC 6A. I can be reached at [6A04@dc.gov](mailto:6A04@dc.gov).

On behalf of the Commission,

Nicholas Alberti  
Chair, Advisory Neighborhood Commission 6A
