## August NLPNA Meeting

The first Tuesday in August (2nd) is National Neighborhood Night Out. Families and community groups across the country are encouraged to plan outdoor activities. NLPNA will again mark the occasion with a potluck supper in Lincoln Park. This is an opportunity to socialize with neighbors you don't often see and to meet new neighbors.

The festivities will begin at 7 p.m., a half hour earlier than our usual meeting time, in the hope that more families with young children will be able to attend. Bring a covered dish (with serving utensil) or beverage to share. Paper plates and plastic ware will be provided.

The Finance Committee will present a proposed budget for discussion and approval, and elections of NLPNA officers will be held.

## ANC 6A Grants Available

Grant money is available from Advisory Neighborhood Commission (ANC) 6A to qualified organizations with proposals that would benefit residents of ANC 6A. Grants amounts are generally small, usually less than \$1,000. Restrictions do apply.

Please visit the Other Documents page of the ANC website, [www.anc6a.org](http://www.anc6a.org), for more details. It's recommended that you contact Elizabeth Nelson, Chair of the Community Outreach Committee, for advice before submitting an application. Send an email to [anc6a@gallaudet.edu](mailto:anc6a@gallaudet.edu) with "ANC 6A Grant" in the subject line.

## Ward 6 ANC Redistricting

Now that the ward boundaries have been redrawn in response to population counts in the 2010 census, the next step will be to determine the new Advisory Neighborhood Commission (ANC) boundaries. Currently, Ward 6 has four ANCs, each of which is further divided into single member districts (SMDs). Each SMD should include around 2,000 residents. However, several SMDs have experienced substantial growth in the past decade and may need to have some of their population reallocated. This could affect the ANC boundaries as well as the SMD boundaries.

Panels have been formed to consider each of the wards. The Ward 6 panel is chaired by Joseph Fengler and includes Antoinette Russell, Marge Francese, Tyler Merkley, Cody Rice, Raphael Marshall, Ken Jarboe, Donna Scheeder, and Skip Coburn. In July, they held a series of public "listening" meetings in each of the ANCs. Additional meetings will be held in August and September as they develop a final recommendation to be delivered to Councilmember Tommy Wells on September 26.

All meetings are open to the public and are announced on the ANC 6A website, [www.anc6a.org](http://www.anc6a.org). All documents related to this effort are also online in a Google Document Index accessible from the "Hot Topics" section of the ANC 6A homepage. Those unable to attend the meetings in person may send written comments to [ward6rd@gmail.com](mailto:ward6rd@gmail.com) or visit the blog at <http://w6tf.blogspot.com/>.
