## Mayor's Health Care Plan

Many neighbors have expressed concerns about how to access the Mayor's new health care system. Those questions were asked of Natalie Cleckley, a spokesperson for DC Healthcare Alliance. The following is excerpted from her response:

DC HealthCare Alliance (Alliance) is a public-private partnership that provides healthcare for District residents who lack health insurance. Member providers include Greater Southeast Community Hospital, Chartered Health Plan, Unity Health Care, Inc., Children's National Medical Center, and The George Washington University Hospital. The DC Health Department represents the public partner. Chartered's role in the Alliance is to provide administrative services, including eligibility verification and enrollment. Member services representatives are available to answer your questions and resolve problems. Please call (202) 842-2810 or toll free at 1-(866) 842-2810 with any questions or concerns.

### **Don't Dump On Maury!!**

Some of our neighbors have misunderstood the purpose of the large trash dumpster at the 12<sup>th</sup> place side of Maury ES. They have been using it for their personal garbage, including construction debris and bulk trash. In some cases, large objects have been placed next to the bin. This is illegal and creates a health and safety problem for the school.

The regular city trash collectors do not pick up at that site and the contractor hired by the school system is not required to pick up non-school refuse or anything left next to the bin. The custodial staff must either try to lift the oversized objects and bags into the bin, or call bulk trash or illegal dumping. Ms. Davis (and the rest of the staff) works very hard to keep the school a clean and cheerful place for learning. We should all understand how important that is and not undermine her efforts. You can arrange for bulk trash collection or report violations by calling 727-1000.

### **Help Our Students**

As the school year begins, some neighborhood children are returning to school without the supplies they need to make the most of their educational opportunities. Both Maury and Miner ES would welcome donations of paper, pencils, binders, etc. If you can help, drop off your donations at the schools or with Elizabeth Nelson at 1330 N.C. Ave or Charles White at 1225 Constitution Ave (for Maury) or Larry Gray at 600 14<sup>th</sup> St (Miner)

### **Buy Entertainment Books Now**

**To be included in the NLPNA directory**, call Elizabeth 543-3512.

### **Bike DC!!!**

Sunday, September 23, is Bike DC, a 32-mile car-free ride through DC sponsored by the Washington Area Bicyclist Association (WABA). The east-bound lane of East Capitol Street from 3rd Street to 19th Street will be closed from 9 a.m. to 2 p.m. The west-bound lane will remain open to traffic. 6th Street and 14th Street will be the only streets where you will be allowed to cross East Capitol. No parking will be allowed on the south side of East Capitol beginning at midnight on September 23. The street closures may make getting around that day a bit challenging, but if we all plan ahead, we can help WABA ensure a successful BikeDC. For further information, call (202) 628-2500 or check [www.waba.org](http://www.waba.org).
