Ms. Reynolds:

At our regularly scheduled, public meeting on March 12, 2009, and with a quorum present, our Commission voted to support the concept of a mural to be located at 1010 H Street NE, but our preference is that the mural be directly related to H Street, NE versus the Underground Railroad theme initially presented to our community. We understand that the Deputy Mayor for Planning and Economic Development has authorized the use of \$38,500 from the H Street NE Neighborhood Investment Fund to support this project. Accordingly, we strongly encourage that City Arts work with our community on the theme, design and selection of the mural.

On behalf of the Commission,

Joseph Fengler  
Chair, Advisory Neighborhood Commission 6A
