Re: Request for parking restriction on small triangle park

Ms Ricks:

At our regularly scheduled public meeting on February 12, 2009, our Commission voted unanimously to request that a no parking sign be installed on one side of a small triangle park.

The park is across from Miner Elementary, at the intersection of 15<sup>th</sup> Street, F Street, and Tennessee Avenue, NE. When vehicles are parked along the east face (15<sup>th</sup> Street side) of the triangle park, visibility for motorists entering 15<sup>th</sup> Street from Tennessee Avenue have limited visibility, leading to vehicular and pedestrian conflicts. Attached are photographs that partially illustrate this point.

Also attached is a service request from May 2008, with a DDOT assigned resolution date in August 2008. No action has been taken on that request as of February 11, 2009.
