Re: Sidewalk café public space application for Vendetta at 1210 H Street NE

Dear Mr. Marcou,

At a regularly scheduled and properly noticed meeting¹ on September 10, 2015, our Commission voted 7-0 (with 5 Commissioners required for a quorum) to express our conditional support for the above-referenced sidewalk café application.

The motion provides our support based on the following conditions the ANC has asked the applicant to fulfill prior to and during the use of public space for a sidewalk café:

1. the hours when the front windows are open shall not be changed from the current hours as allowed by current licensing and ANC 6A settlement agreement restrictions;
2. the sidewalk café shall not be open for use past 11 pm Sunday through Thursday and midnight on Friday and Saturday;
3. the establishment shall make no changes to its current settlement agreement with ANC6A;
4. the sidewalk café shall only be used for food and drink service, and not for any other use, including the playing of any music, amplified or otherwise;
5. the applicant shall use easily moveable chairs (no tables) that shall be secured or locked away when not in use;
6. the applicant shall ensure no trash container of any sort will be stored anywhere on public space, including on the sidewalk café itself;
7. the applicant shall regularly clean and maintain the adjacent tree boxes, sidewalk and street gutter, and keep all areas in front of the business and within the sidewalk café area clean; and
8. the sidewalk cafe area shall not be covered by any fixed umbrellas.

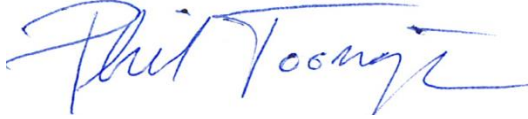

These conditions have been negotiated with and agreed to by the ANC and the applicant.

Thank you for giving consideration to our ANC's feedback on this public space proposal. We respectfully request that you include the attached conditions with any approved
