### **Preamble**

Through this agreement, both parties aim to create an environment whereby the applicant may operate as a viable contributing business in the ANC 6A community, while concurrently curtailing any adverse effects a business such as the applicant's could have on the surrounding neighborhood.

The applicant agrees to work regularly with the ANC 6A, neighborhood associations, and residents to ensure the business operations do not adversely affect the surrounding neighborhood. All parties believe the statements and provisions contained in this agreement are reasonable and must become wholly integrated into the day-to-day operation of the business establishment.

Further, ANC 6A acknowledges that this Voluntary Agreement shall be presented to all Class CT applicants within the boundaries of ANC 6A. The community and merchants have agreed that it is in all the parties best interests to standardize the requirements for the operations of restaurant, tavern, and nightclub establishments within the boundaries of ANC 6A. To the greatest extent possible, the ANC will not insist upon or allow any significant changes to this Voluntary Agreement that will unfairly benefit or, conversely, cause competitive disadvantage to, any individual applicant or establishment within the ANC, unless such change is required by the District of Columbia government, other authorized governmental bodies, or rule of law.

The community and merchants understand and agree that the changes imposed upon the operations of all licensees within the ANC as set forth herein are important measures to protect the safety, peace, order and quiet of the neighborhood, its residents, and businesses.
