

ANC6A08 Quick Notes

Volume 1, Issue 4

6/1/2007

ANC6A08 in the month of May

At the May ANC6A08 Roundtable, community members discussed the proposed sign for Mt Moriah Baptist Church at 1636 East Capitol St NE. We are still trying to ascertain the exact codes for constructing signs that include digital pieces. Community members expressed concerns about the bulletin.

Per Mr. Dennis Anibaba at DCRA, if the information on the proposed item provides information about activities, then it is a bulletin.

Commissioners Nixon and Holmes along with the Wyckoffs have met with Comstock Properties (ZC #06-34) 1705-1729 East Capitol St SE on several occasions. Revisions have been made to the appearance of the structure as well as community amenities. ANC6A's will be finalized

after all these items are complete.

All community members agreed that measures are necessary to slow drivers on C St NE. Rosedale Citizens Alliance would like a speed camera and the community agreed. Another street that we need to work on is 17th St NE. Anybody who wants to help, please email smnixon6a@prodigy.net.

ANC6A08 Walk—It was a beautiful day in May and so many people were outside just having a nice day. There is a carriage house that is rather dilapidated in the 1600 b/o East Capitol St NE alley along with several properties with broken windows.

6A08 has a number of alleys that need to be paved/repaved.

Call the 1st District Watch Commander at 202-437-7632 or email 1dwatch.Commander@dc.gov when there is no 311/911 response and/or there are chronic issues that need immediate attention. This can also be used for complaints on officers or procedures, but it does not replace 311/911.

Animal Cruelty: If you know of an animal in trouble call (202)BE-HUMANE or email mitch.b@washhumane.org.

ANC6A May 2007 Meeting

DDoT Director Emeke Moneme was at the ANC6A meeting in May 2007. He was asked about having the full toolbox to slow speeding drivers. This appears to be

a goal. He said that Mr. Chris Delfs should be able to help us obtain a summary of when these will occur.

ANC6A voted to send a letter support-

ing installation of bicycle lanes on C St NE and North Carolina Ave NE.

ANC6A Public Safety Committee
