

# ANC6A08 Quick Notes

Volume 1, Issue 8

10/1/2007

## ANC6A08 in the months of September

September 2007 was a calm month in ANC6A08—relatively. Please send Stephanie Nixon your thoughts on switching to a quarterly roundtable schedule with monthly walks around the neighborhood (smnixon6a@prodigy.net or 202-396-7234). Roundtables would be held in January, April, July, and October. The date and time would be reserved if something arose that required attention.

There will be various discussions about the new Rosedale Community Center. Please watch for the dates for these focus

group meetings. Sondra Gilbert is a contact point for this.

The graffiti has been removed from Eliot JHS. This is a significant improvement.

DCRA reports that concern has been expressed about the legality of monitoring and limiting the density of community-based residential facilities. It is important that we monitor this discussion.

Concern has been expressed about the drug signage at 18th St NE and D St NE. Please contact Stephanie Nixon with comments.

Have a careful and safe Halloween!

Please congratulate Diane Groomes on her new position as Assistant Chief of Police, supervising the patrol officers across the District!

Report weekend illegal construction to 202-727-6161!

pointed by residents of DC

## ANC6A Public Safety Committee

Did not meet this month, but is seeking your opinion on the proposed bill regarding fireworks and firecrackers. This would be in addition to current regulations about fireworks and firecrackers in DC.

Please contact Stephanie Nixon at smnixon6a@prodigy.net with your thoughts on the bill.

## Patrol Service Area (PSA) 103 Meeting

There is a new PSA 103 Lieutenant, Lieutenant John Alter. Please welcome him to the neighborhood (John.Alter@dc.gov).

Late at night theft from autos and robberies are of concern. Please be careful with your car and be alert when walking. There have been 10 burglaries since 8/8/07, occurring most if not all during the daytime. Between 8/8/07 and 9/12/07 there were 87 arrests.

Email 1D-Vice Lt David Jelks (David.Jelks@dc.gov) with information about drug concerns in the neighborhood. Provide as much descriptive information as you can including time.

## ANC6A Community Outreach Committee

Mr. George Ward provided a cost estimate as well as the procedure for videotaping ANC meetings. Based on the expense needed to tape ANC meetings and then time to upload them to the web, the main question was whether people would use the service. Mr. Ward suggested for record purposes a more professional audio taping for CDs or videos could be made into DVD's and then made available to the public on request.

ANC6A08 runs between the South Side of E St NE and the N Side of East Capitol St NE. On the North side of C St NE the Western half of 19th St NE and on the South side of C St NE the Western half of 22nd St NE. The Eastern side of 16th St NE on both sides of C St NE is the Western boundary.
