Re: ANC 6A Comments on BZA Case No. 21131 (430 10th Street NE)

Dear Mr. Moy,

At a regularly scheduled and properly noticed meeting¹ on May 9, 2024 our Commission voted 7-0-0 (with 4 Commissioners required for a quorum) to support the request for a Special Exception for relief from the lot occupancy requirements of Subtitle E § 210.1 pursuant to Subtitle E § 5201.1 and Subtitle X § 901.2 to construct a rear addition to an existing, attached, two-story with basement, principal dwelling unit in the RF-1 zone. The design has taken measures to ensure that the addition is in the character of the neighborhood and it will not disrupt the privacy, air and light of neighbors. The owner has proven that the Special Exception criteria has been met through submission of architectural drawings and discussions with neighbors. The ANC believes that this development will not substantially visually intrude upon the character, scale, and pattern of houses in the neighborhood. Please be advised that Joal Mendonsa, Michael Cushman, and I are authorized to act on behalf of ANC 6A for the purposes of this case. I can be contacted at 6A04@and.dc.gov, Mr. Cushman at michael.cushman@gmail.com, and Joal Mendonsa at joal.mendonsa@gmail.com.

On behalf of the Commission,

Amber Gove

Chair, Advisory Neighborhood Commission 6A
