Re: ANC 6A Support for traffic calming on 11th Street NE between Florida Avenue and East Capitol Street

Dear Director Kershbaum:

At a regularly scheduled and properly noticed meeting<sup>1</sup> on October 10, 2024 our Commission voted 5-0-0 (with 4 Commissioners required for a quorum) to request that DDOT provide an update on prior commitments to traffic calming on 11th Street NE. As noted in our June 2023 letter (<https://anc6a.org/wp-content/uploads/ANC6A-Support-for-traffic-calming-11th-Street-NE.pdf>), residents have long requested vertical traffic calming and automated traffic enforcement to slow drivers. In response to this letter your agency replied (on July 7, 2023) that they planned to install 10 speed humps along the corridor. This promise was later rescinded for reasons we still do not fully understand. In the ensuing months there have been several crashes, including one into a corner store at 11th and C Street NE. One resident has had three cars parked on the street totaled by dangerous drivers. We urgently request your attention to this corridor before additional property and safety are threatened.

Thank you for giving great weight to the recommendations of this Commission. I can be contacted at 6A04@anc.dc.gov, and Transportation and Public Space Committee Chair Shaun Lynch can be contacted at 6ATPSChair@gmail.com.

On behalf of the Commission,

Amber Gove  
Chair, Advisory Neighborhood Commission 6A
