Re: ANC6A BZA Case No. 20907 (424 10th Street, NE)

Dear BZA,

At a regularly scheduled and properly noticed meeting¹ on May 11, 2023 our Commission voted 6-0-0 (with 5 Commissioners required for a quorum) to support the request for a Special Exception pursuant to Subtitle E § 5201 and Subtitle X § 901.2 from the lot occupancy requirements of Subtitle E § 304.1 to construct a two-story rear addition, to an existing, attached, two-story with cellar, principal dwelling unit in the RF-1 zone.

The design has taken measures to ensure that the addition is in the character of the neighborhood and it will not disrupt the privacy, air and light of neighbors. The owner has proven that the special exception criteria have been met through submission of architectural elevations and discussions with neighbors. The ANC believes that this development will not substantially visually intrude upon the character, scale, and pattern of houses in the neighborhood.

Please be advised that Brad Greenfield and I are authorized to act on behalf of ANC 6A for the purposes of this case. I can be contacted at 6A04@anc.dc.gov and Mr. Greenfield can be contacted at brad.greenfield@gmail.com.

On behalf of the Commission,

Amber Gove
Chair, Advisory Neighborhood Commission 6A
