Re: ANC 6A Support for Traffic Safety Assessments TSA # 21-00340369, 21-00340397, 21-00340385

Dear Acting Director Lott,

At a regularly scheduled and properly noticed meeting¹ on September 9, 2021, our Commission voted 8-0-0 (with 5 Commissioners required for a quorum) to send a letter to your agency in support of traffic safety assessments for the intersections of 14th and A Streets NE, 15th and A Streets NE, and 15th Street and Constitution Avenue NE (TSA # 21-00340369, 21-00340397, 21-00340385). Should the assessments determine speed humps and/or raised crosswalks are warranted, our Commission supports their installation.

DDOT rejected ANC6A's previous requests that DDOT install all-way stop signs at these intersections. These intersections remain dangerous without additional traffic controls. Accordingly, should the agency again determine that all-way stops are not warranted, the ANC respectfully requests the installation of raised crosswalks.

Thank you for giving great weight to the recommendations of ANC6A. Should you wish to discuss this letter with the Commission, please feel free to reach out to me at AmberANC6A@gmail.com.

On Behalf of the Commission,

Amber Gove
Chair, Advisory Neighborhood Commission 6A
