Washington, DC 20001

Re: BZA Case No. 20301 (229 14th Street NE)

Dear Mr. Moy,

At a regularly scheduled and properly noticed meeting<sup>1</sup> on July 9, 2020, our Commission voted 8-0-0 (with 5 Commissioners required for a quorum) to support the Applicant's request pursuant to 11 DCMR Subtitle X, Chapter 9, for a special exception under Subtitle E § 205.5 and 5201 from the rear addition requirements of Subtitle E § 205.4, to construct a two-story rear addition to an existing attached principal dwelling unit in the RF-1 Zone.

The design has taken measures to ensure that the addition is in the character of the neighborhood and it will not disrupt the privacy, air and light of neighbors. The owner has proven that the special exception criteria have been met through submission of architectural elevations and letters of support from neighbors.

The ANC believes that this development will not substantially visually intrude upon the character, scale, and pattern of houses in the neighborhood. Please be advised that Brad Greenfield and I are authorized to act on behalf of ANC 6A for the purposes of this case. I can be contacted at [amberanc6a@gmail.com](mailto:amberanc6a@gmail.com) and Mr. Greenfield can be contacted at [brad.greenfield@gmail.com](mailto:brad.greenfield@gmail.com).

On behalf of the Commission,

Amber Gove  
Chair, Advisory Neighborhood Commission 6A
