January 14, 2020

Mr. Jeffrey Marootian, Director  
District Department of Transportation  
55 M Street, SE, Suite 400  
Washington, DC 20003

Re: Traffic calming measures 1600 block of F St NE

Dear Director Marootian,

At a regularly scheduled and properly noticed meeting<sup>1</sup> on January 9, 2020, our Commission voted 7-0-0 (with 5 Commissioners required for a quorum) to request that DDOT install one or more speed humps on the 1600 block of F Street NE.

Drivers speeding down the 1600 Block of F Street NE present a risk to all users due to the lack of speed control measures on the street. At least 10 children under the age of 5 live and play on the block, parents from surrounding blocks regularly pass through to bring their children to nearby Miner Elementary School, and elderly residents who need extended time to get in and out of their cars also reside on this street. If one or more speed humps were installed along the block, drivers would be more likely to slow down. The Commissioner, in collaboration with residents, has previously submitted a Traffic Safety Assessment request for this area and DDOT is now requesting this additional letter of support for the installation of speed humps.

Thank you for giving great weight to the recommendation of ANC 6A. Should you wish to discuss this letter with the Commission, please feel free to reach out to me at [AmberANC6A@gmail.com](mailto:AmberANC6A@gmail.com).

On behalf of the Commission,

Amber Gove  
Chair, Advisory Neighborhood Commission 6A
