Re: ANC 6A Support for Traffic Safety Assessments TSA # 21-00026760

Dear Acting Director Lott,

At a regularly scheduled and properly noticed meeting<sup>1</sup> on September 9, 2021, our Commission voted 8-0-0 (with 5 Commissioners required for a quorum) to send a letter to your agency in support of the traffic safety assessment for the 700 – 1300 blocks of I St NE (TSA# 21-00026760). Should the assessment determine speed humps and/or raised crosswalks are warranted, our Commission supports their installation, particularly at the intersection of 13th and I Street NE where prior ANC requests for an all-way stop were denied by your agency.

Thank you for giving great weight to the recommendations of ANC6A. Should you wish to discuss this letter with the Commission, please feel free to reach out to me at [AmberANC6A@gmail.com](mailto:AmberANC6A@gmail.com).

On Behalf of the Commission,

Amber Gove  
Chair, Advisory Neighborhood Commission 6A
