Re: ANC 6A Support for TSAs 21-00428331 and 21-00428369 (1500-2000 blocks Benning Road NE)

Dear Director Lott,

At a regularly scheduled and properly noticed meeting¹ on November 10, 2021, our Commission voted 8-0-0 (with 5 Commissioners required for a quorum) to send a letter to your agency in support of the TSAs 21- 00428331 and 21-00428369 for the 1500 -2000 blocks of Benning Road NE, including a full traffic safety investigation; consideration of speed humps, raised crosswalks, signal timing, and all other traffic calming measures; and that DDOT consider extending the planned H Street dedicated bus lanes to this corridor as a traffic calming measure as well as to improve transit. We would anticipate that notification of any such changes would include adjacent ANCs, including 5D and 7D.

Thank you for giving great weight to the recommendations of ANC 6A. Should you wish to discuss this letter with the Commission, please feel free to reach out to me at 6A04@anc.dc.gov.

On Behalf of the Commission,

Amber Gove
Chair, Advisory Neighborhood Commission 6A
