Re: Request for All-Way Stops at all ANC6A Area Local/Local Intersections

Dear Director Marootian:

At a regularly scheduled and properly noticed meeting<sup>1</sup> on June 13, 2019, our Commission voted 6-0-0 (with 5 Commissioners required for a quorum) to send a letter requesting that DDOT examine and convert all remaining local/local intersections in 6A not currently configured as such to an all-way stop configuration.

In addition, we request that DDOT examine and report back to our Commission any other intersections not designated as local/local that would be good candidates for conversion to all-way stops. In particular, the Commission requests that 14th and A Streets NE and 13th and I Streets NE both be converted to all-way stops.

Thank you for giving great weight to the recommendation of ANC 6A. Should you wish to discuss this letter with the Commission, please feel free to reach out to me at [AmberANC6A@gmail.com](mailto:AmberANC6A@gmail.com).

On behalf of the Commission,

Amber Gove  
Chair, Advisory Neighborhood Commission 6A
