Re: NOI 19-123-VZD-Corridor Safety Assessment K Street NE

Dear Director Marootian:

At a regularly scheduled and properly noticed meeting¹ on June 13, 2019, our Commission voted 6-0-0 (with 5 Commissioners required for a quorum) to send a letter of support for the notice of intent to modify traffic and parking in the K Street Corridor.

Our Commission agrees with the intent of the proposed improvements to “slow vehicle speeds, reduce aggressive driving behavior, reduce pedestrian crossing distance where feasible, and connect the bicycle network along K Street NE through the removal of peak period parking restrictions along the corridor.”

The ANC has long viewed this corridor as particularly hazardous and we welcome this effort to improve conditions in the area. In the last several months our Commission has received numerous calls and emails urging us to support this initiative. Our support for this NOI and its focus on improving safety is both unconditional and enthusiastic.

Thank you for giving great weight to the recommendation of ANC 6A. Should you wish to discuss this letter with the Commission, please feel free to reach out to me at AmberANC6A@gmail.com.

On behalf of the Commission,

Amber Gove
Chair, Advisory Neighborhood Commission 6A
