Re: Sidewalk café public space application for Pursuit Wine Bar, 1025 H St NE, #10726471

Dear Associate Director Marcou and Public Space Committee Members:

At a regularly scheduled and properly noticed meeting¹ on July 11, 2019, our Commission voted 7-0-0 (with 5 Commissioners required for a quorum) to express our conditional support for the above-referenced sidewalk café application.

The motion our ANC passed supporting the public space application related to a sidewalk café at 1025 H Street NE on the condition that the applicant agrees to and adheres to all requirements imposed by the DDOT Public Space Committee and the following requirements:

1. Operate the sidewalk café space only during hours agreed upon in the Settlement Agreement (TBD);
2. Take reasonable efforts to contain noise within the sidewalk café space including, but not limited to, using any sidewalk café removable structures it may now or in the future install (e.g., a sidewalk café canopy, roll down plastic windows, etc.) and any other reasonable means to contain noise, but only to the extent allowable by applicable District laws and regulations;
3. Only use the sidewalk café space for food and drink service, and not for any playing of music, amplified or otherwise, or for any other use, including live performances;
4. If applicant installs fencing around the sidewalk café area, it shall be consistent with DDOT specifications and the fencing enclosing other sidewalk cafes within our ANC, which shall include fencing or bars designed to keep trash contained within the sidewalk café area (preferably by minimizing any gaps at the bottom of the fencing);
5. Use easily moveable chairs and tables and tables that shall be moved to the side and locked up when not in use;
6. Applicant will ensure no trash container of any sort will be stored anywhere on public space, including on the sidewalk café itself; and
7. Regularly maintain the adjacent tree boxes and keep all areas in front of the business and within the sidewalk café area clean, including the adjacent sidewalk and street gutter.
8. These conditions have been negotiated with and agreed to by representatives of the ANC and the applicant.
