Commission Business

Single Member District reports

Commissioner Moilanen (6A07) is grateful to ANC 6A Commissioners for being great colleagues and takes solace in the work of groups such as these in the face of upcoming unease.

Commissioner Robb Dooling (6A06) reported that abandoned vehicles continue to be an issue; several have been removed but then more come in, especially on Linden Court. The Commissioner's advice for incoming Commissioners is to look at the abundant resources and archives on the website, which go back through 2003, when advocating for issues. Commissioner Dooling looks forward to attending Committee meetings and supporting the ANC as a community member.

Commissioner Wethington (6A05) noted that there is a community meeting with DPR and DGS on December 17, 2024 at 6:30 pm at Rosedale Recreation Center about Kingsman Dog Park to kick off the construction phase of the renovation project. There have been notices about sidewalk repairs to brick sidewalks and the Commissioner urges community members to be mindful of 'no parking' signs. The Commissioner praised his fellow Commissioners and committee leaders and members, noting that their knowledge, as well as archives on the website, will be great sources of information for incoming Commissioners.

Commissioner Gove (6A04) reported that there is a string of lights out at Lincoln Park and hopes Councilmember Allen's office will be able to assist. The graffiti on the playground got removed and the retaining wall is still under repair. There are still several vacant properties in the Commission and the Commissioner hopes for better inspections from the Department of Buildings. Sidewalk repairs will be happening along East Capitol Street from December 11 - December 20, 2025 and neighbors should be mindful of 'no parking' signs. The Commissioner recommends having a 'captain block' for outreach and communications.

Advisory Neighborhood Commission 6A Meeting Minutes of December 12, 2024

Commissioner Shapiro (6A03) is happy to report that, after a year, Adams Market on the corner of 15th and F Streets NE finally got a 15-minute no parking loading zone in front of the store. Also, after a year, repairs have started on the outside of Sherwood Recreation Center and the Commissioner hopes they will be done by the end of the year. Crime continues to be a problem, especially in the alley between 11th and 12th Streets and F and D Streets NE, and MPD has promised to increase patrols in the area. The Commissioner continues to hear neighbor complaints of lack of maintenance of medians, where both DPR and DGS claim this responsibility falls to the other agency. The Commissioner is looking forward to providing testimony to DDOT and continuing to express concerns about sidewalk safety. The Barbara, a building of short-term rentals on Maryland Avenue NE, had a move-out cycle and a large amount of furniture, clothing, and other household items were left outside.

Community Comment

Ms. Jen DeMayo from Councilmember Allen's office thanked everyone that joined the 18th annual Brickie Awards. This past Tuesday there was a hearing on the SAFE Act, which would give the Attorney General new tools to force large building owners to make safety improvements when there have been serious incidents. Testimony can be submitted until December 20, 2025. Next Tuesday is the council's final legislative meeting in this 2-year council period. At this meeting, the council will be considering how to address cars using fake license plates, how to better regulate delivery drivers, and proposed changes to how the district works with children and minors who have been convicted of a crime. Ms. DeMayo thanks all the outgoing Commissioners and is appreciative of all their work; she welcomes incoming Commissioners and looks forward to collaborating.

The Commission wishes everyone happy holidays.

The meeting adjourned at 7:55 pm.
