Dear Mr. Gordon:

At its regularly scheduled meeting on June 14, 2007, with a quorum present, our Commission voted unanimously to support the Educational Enrichment Program.

We look forward to having this tutoring program implemented within schools in Advisory Neighborhood Commission 6A and hope to see it implemented this fall with Eastern Senior High School Students as tutors.

Thank you for considering our neighborhood as a place to pilot this program.

On behalf of the Commission,

Joseph Fengler
Chair, Advisory Neighborhood Commission 6A
