RE: Traffic Safety Investigation Service Request 21-00428331

Dear Commissioner Phillips-Gilbert:

Thank you for contacting the District Department of Transportation (DDOT) regarding a Traffic Safety Assessment. This letter is to acknowledge that we have received your request regarding traffic concerns in the 1500, 1600 and 1700 blocks of Benning Road NE.

The investigation normally takes up to 130 days, and will involve an evaluation of the site, roadway characteristics, crash data, speed data (which will have to be collected), volume data (also collected), and any other characteristics of the roadway network that could help DDOT investigate the concerns raised in the Traffic Calming Assessment application.

Once DDOT has completed the investigation we will provide you with a response with our findings and any measures that DDOT will take to address traffic-related issues in the area.

For further questions regarding this matter, please contact DDOT at **Connie Wheeler, Supervisory Engineering Technician of the Traffic Safety Division at connie.wheeler@dc.gov**. Please reference your Traffic Safety Investigation Service Request Confirmation Number.

Sincerely,

d. Customer Service Clearinghouse
