Subject: RE: ANC 6A Requests Distribution of Electronic Copies of Building Permits

Commissioner Fengler:

I am responding on behalf of Director Linda Argo to your request to be removed from our ANC distribution list for bi-weekly hard copies of building permits. I apologize for any inconvenience this may have caused you. We agree that sending this list electronically is more effective for the reasons you mentioned.

Effective immediately we will only forward ANC 6A bi-weekly electronic versions of issued and pending building permits. Please let me know if we may be of further assistance.
