Dear Board Members

RE: H Street NE Heritage Trail

Dear Board Members,

At the October 8, 2008 meeting of ANC 6A, our commission voted unanimously to support the establishment of the H Street NE Heritage trail.

Our Commission believes that an H Street NE Heritage Trail will provide residents and tourists alike with a better understanding of the area's past. In addition, the Heritage Trail will provide an important context of how the people and events on H Street NE influenced and affected the history of the larger city.

We hope that the trail and its stations will draw newcomers and tourists to experience H Street NE and act as a catalyst for the further revitalization of the corridor.

On behalf of the Commission,

Joseph Fengler
Chair, Advisory Neighborhood Commission 6A
