ZONING COMMISSION FOR THE DISTRICT OF COLUMBIA
NOTICE OF FINAL RULEMAKING
and
Z.C. ORDER NO. 04-27
Z.C. Case No. 04-27
(Text & Map Amendments – H Street NE Neighborhood
Commercial Overlay Zone District -- 11 DCMR)
January 9, 2006

The Zoning Commission for the District of Columbia (the “Commission”), pursuant to the authority set forth in § 1 of the Zoning Act of 1938, approved June 20, 1938 (52 Stat. 797, as amended; D.C. Official Code § 6-641.01 (2001)); having held a public hearing as required by § 3 of the Act (D.C. Official Code 6-641.03; and having referred the proposed amendment to the National Capital Planning Commission for a 30-day period of review pursuant to § 492 of the District Charter; hereby gives notice of the adoption of an amendment to Chapter 13 of the Zoning Regulations (11 DCMR) to add new §§ 1320 through 1326, containing the provisions of a new neighborhood commercial overlay, the H Street Northeast Neighborhood Commercial Overlay District (HS). The HS Overlay is divided into three sub-districts (a Housing Sub-district, a Retail Sub-district, and an Arts Sub-district), and will be mapped over all lots fronting onto H Street, N.E. from 2nd Street, N.E. to 15th Street, N.E. and zoned C-2-A, C-2-B, C-2-C, C-3-A, or C-3-B. A Notice of Proposed Rulemaking was published in the *D.C. Register* on November 18, 2005. Non-substantive changes were made to the text for reasons explained below. The final rules shall be effective upon publication of this notice in the *D.C. Register*.

The Commission initiated this rulemaking in response to a petition from the Office of Planning to advance objectives identified in the “H Street N.E. Strategic Development Plan”. In 2002, the District of Columbia began working with H Street N.E. residents and business owners to identify issues and develop strategies for revitalizing the commercial corridor. The result was the H Street N.E. Strategic Development Plan, which established guidelines, goals, and standards that need to be achieved in the areas of historic preservation, land use, urban design, and transportation. The document also included an Implementation Summary that links selected strategies with the necessary implementation actions, including the formation of the HS Overlay.

Description of Text Amendment

In accordance with guidance from the H Street N.E. Strategic Development Plan, the proposed HS Overlay is divided into three sections. The first section (Housing Sub-district) of the Overlay corresponds to the Urban Living (Western Gateway) portion of the Strategic Development Plan

and provides a moderate-density and a medium-density mixed-use area focusing on residential development with ground floor retail or other commercial uses allowed, but not required. The second section (Retail Sub-district) corresponds to the Central Retail District (Retail Core) portion of the plan and provides a moderate-density retail, office, and residential use area with a focus on retail uses. The third section (Arts Sub-district) corresponds to the Arts and Entertainment District and provides for moderate-density retail and residential use, with a focus on arts and entertainment uses. The Overlay provides common design standards, like parking in the rear, zero setback from the street, and other pedestrian-friendly design criteria to encourage transit-oriented development.

The Overlay has further provisions that relate to historic preservation and urban fabric. Each sub-district provides for a bonus to the non-residential FAR allowed on-site for preservation of a pre-1958 building façade. In addition, buildings saving a pre-1958 façade are granted a 0.5 FAR bonus to overall density to be used for residential uses.

Finally, the HS Overlay sets guidelines for development review through PUD and special exception proceedings. Development on any lot containing more than 6,000 square feet is required to receive special exception approval. Any development lot in excess of 10,000 square feet may pursue a planned unit development.

Description of Map Amendment

This rulemaking establishes the H Street N.E. Neighborhood Commercial Overlay District that applies to all lots fronting onto H Street N.E. from 2nd Street to 15th Street and zoned C-2-A, C-2-B, C-2-C, C-3-A, or C-3-B.

In addition, within the Overlay, the following properties are rezoned from C-2-A to C-2-B:

- a. Lots fronting on the south side of H Street, N.E., in Square 752;
- b. Lots fronting on the north side of H Street, N.E., in Square 776;
- c. Lots fronting on the south side of H Street N.E., in Square 777; and
- d. Lots fronting on the north side of H Street N.E., in Square 858.

Relationship to Comprehensive Plan

The HS Overlay was designed in conformance with the Comprehensive Plan for the National Capital (“Plan”). The Generalized Land Use Map shows the entire affected corridor as a mixed-use combination of moderate-density commercial and moderate-density residential uses. The Overlay would maintain densities and uses appropriate for these categories.

H Street, N.E. is identified in the Plan as a development opportunity area on the Generalized Land Use Policies Map. It is identified specifically as an area offering “opportunities to accommodate new growth and development.” The Overlay would further the goals of the Plan by promoting a retail hub and an arts and entertainment destination area within the corridor.

The Overlay would also further the goals of the Plan laid out in both the Urban Design Element and the Ward 6 Plan. The Urban Design Element specifically encourages improvement of

commercial activity corridors. The Ward 6 Plan discusses growth and residential development on H Street N.E. The Overlay responds to all of these aspects and is not inconsistent with the Plan.

Public Hearing

A Notice of Public Hearing containing the proposed text and map amendments and setting the hearing date for April 7, 2005, was published in the *D.C. Register*, at 50 DCR 915.

The Office of Planning (“OP”) submitted reports concerning these amendments, dated October 15, 2004 and March 28, 2005. The October 15, 2004 report indicated OP’s support for the proposed amendment and outlined the proposed text changes. Prior to the public hearing, several issues were raised by the Zoning Commission, the ANC, and community stakeholders. In addition, the Commission received a number of letters from the development community in support of the proposed amendment. The OP report dated March 28, 2005 addressed the additional issues raised, including the height impacts of the rezonings, potential planned unit developments, affordable housing, transfer of development rights, new FAR restrictions and incentives, and rezoning of Lot 860 in Square 858.

At the public hearing, further issues were raised by both the ANC and the Zoning Commission. OP was asked to submit a supplemental report that would clarify the roles of the Board of Zoning Adjustment and Historic Preservation Review Board, address ANC recommendations, provide sign guidelines, and increase the non-residential FAR bonus in the housing sub-area.

Proposed Rulemaking

Following the conclusion of the April 7, 2005 public hearing, OP submitted a supplemental report on May 24, 2005 based on the comments and concerns raised at the public hearing. OP recommended changes to §§ 1321.3, 1325.1(a), and 1325.1(e) to address these concerns. The Commission accepted these changes and also added §1325.1(f) to create sign guidelines and removed gas station expansion from the special exceptions listed in §1320.4.

A Notice of Proposed Rulemaking was published in the *D.C. Register* on November 4, 2005, at 50 DCR 10002. The Notice of Proposed Rulemaking was subsequently corrected on November 18, 2005, at 50 DCR 10187, to include the proposed map amendments that were missing from the original publication.

The Office of Zoning received one comment on the Notice of Proposed Rulemaking. On December 19, 2005, the Office received a letter from the law firm of Holland & Knight requesting that the Commission “clarify that all of the lots in Square 776 currently zoned C-2-A, including lots 9, 25, 26, 27, 29, 51, 52, 53, 800, 814, 815, 816, 817, and 821, are to be rezoned to C-2-B.” It is clear in the wording of the map amendment that the rezoning in Square 776 applies only to those lots “fronting on the north side of H Street, N.E.” Insofar as any of the lots listed in the Holland & Knight letter do not front on the north side of H Street, N.E., the Overlay, and therefore, the rezoning, does not apply to them.

The Office of the Attorney General has determined that this rulemaking meets its standards of legal sufficiency.

Final Action

At its regularly scheduled public meeting held January 9, 2006, the Zoning Commission took final action to approve the proposed map and text amendments. No changes were made to the text as published in the *D.C. Register*. The Commission did, however, resolve one question brought to its attention by the Office of the Attorney General concerning the applicability, within the H Street Overlay, of 11 DCMR § 1304, which is a “general” special exception section applicable to all Neighborhood Commercial Overlays. The H Street Overlay has its own specific special exception section, at § 1325, which sets forth the criteria to be met to obtain a special exception within the H Street Overlay. The Commission made it clear at the January 9th public meeting that both §§ 1304 and 1325 were to apply within the H Street Overlay. Therefore, applicants for special exceptions within the H Street Overlay must meet all the criteria set forth in both § 1304 and § 1325.

Based upon the above, the Commission finds that the proposed amendments to the Zoning Regulations are in the best interests of the District of Columbia, consistent with the purposes of the Zoning Regulations, and not inconsistent with the Comprehensive Plan for the National Capitol.

In consideration of the reasons set forth herein, the Zoning Commission hereby **APPROVES** the following actions:

A. Amend the Zoning Map of the District of Columbia as follows:

1. Rezone from C-2-A to C-2-B:

- a. Lots fronting on the south side of H Street, N.E., in Square 752;
- b. Lots fronting on the north side of H Street, N.E., in Square 776;
- c. Lots fronting on the south side of H Street N.E., in Square 777; and
- d. Lots fronting on the north side of H Street N.E., in Square 858.
