Re: Bus Shuttle Service for H Street/Benning Road Corridor

Dear Councilmember Wells:

At our regularly scheduled public meeting on February 14, 2008, our Commission voted unanimously to support the establishment of a new shuttle bus service along the H Street/Benning Road corridor. We are particularly pleased that you were able to identify funds for this project in the city council's recently approved supplemental appropriations for fiscal year 2008.

We look forward to working with you on bringing this much needed bus service to the greater Northeast community. Please do not hesitate to call on us should you require a conduit for obtaining additional community input on this project. Should you require further assistance, please contact Omar Mahmud of our Transportation and Public Space Committee at (202) 546-1520 or familymahmud@yahoo.com.
