Re: BZA Case No. 19338 (543 Tennessee Avenue, NE)

Dear Mr. Moy,

At a regularly scheduled and properly noticed meeting on October 13, 2016¹, our Commission voted 8-0 (with 5 Commissioners required for a quorum) to support the design of the proposed two story carriage house with a roof deck to be constructed at 543 Tennessee Avenue, NE. The design has taken measures to ensure that the addition is not visible from the street, and it will not disrupt the privacy, air and light of neighbors. The owner has proven that the special exception criteria have been met through submission of architectural elevations. The ANC believes that this development will not substantially visually intrude upon the character, scale, and pattern of houses in the neighborhood.

Please be advised that Brad Greenfield and I are authorized to act on behalf of ANC 6A for the purposes of this case. I can be contacted at philanc6a@gmail.com and Mr. Greenfield can be contacted at brad.greenfield@gmail.com.

On Behalf of the Commission,

Phil Toomajian
Chair, Advisory Neighborhood Commission 6A
