Re: HPA-19-064 (223 9th Street, NE)

Dear Ms. Heath,

At a regularly scheduled and properly noticed meeting¹ on December 13, 2018, our Commission voted 7-0 (with 5 Commissioners required for a quorum) to support the design of the proposed construction of a rear addition to an existing structure in the Capitol Hill Historic District at 223 9th Street, NE. The design has taken measures to ensure that the addition is not visible from the street, and it will not disrupt the historic character of the neighborhood.

Please be advised that Commissioner Mike Soderman, Economic Development and Zoning Committee Chair Brad Greenfield, and I are authorized to represent the Commission on this matter.

On Behalf of the Commission,

Phil Toomajian
Chair, Advisory Neighborhood Commission 6A
