Re: Truck traffic on 11th Street NE in ANC 6A

Dear Director Dormsjo,

At a regularly scheduled and properly noticed meeting¹ on October 13, 2016, our Commission voted 8-0 (with 5 Commissioners required for a quorum) to seek DDOT review of traffic conditions on 11th Street NE within ANC 6A, which we believe currently encourage a high volume of truck traffic, including that DDOT designate this street as a “local street” rather than a “collector street.” Our ANC has heard a good deal of concern from neighbors who cite safety concerns and property damage stemming from a high volume of truck traffic on this street, particularly in the portion of the street south of Maryland Avenue NE. We also request that DDOT develop a traffic management plan that routes trucks onto streets that are appropriate for truck traffic, which would necessarily not include any “local streets” within our ANC.

Thank you for giving consideration to our ANC’s feedback on this matter. Should you wish to discuss this matter with the Commission, please feel free to reach out to me at philanc6a@gmail.com or the ANC 6A Vice-Chair, J. Omar Mahmud, at mahmud6a01@gmail.com.

On behalf of the Commission,

Phil Toomajian
Chair, Advisory Neighborhood Commission 6A
