

MAURY ELEMENTARY SCHOOL  
PARENT TEACHER ASSOCIATION

October 15, 2020

To the Commissioners of ANC6A:

On behalf of the Maury Elementary Parent Teacher Association, I write to offer our support of the proposed bike lane along Tennessee Avenue, NE between East Capitol Street, NE and 15<sup>th</sup> Street, NE.

I have reviewed the plans for the proposed lanes and believe they would increase the safety for students and families who will use this route to get to and from school. I have also consulted with school operations officials and we agree that these plans would have limited to no impact on school operations. For these reasons, I would encourage the ANC to send a letter to the District Department of Transportation in support of the proposed by lanes.

Thank you for consideration of our position.

Sincerely,

Ross Kyle  
President, Maury PTA
