Re: DDOT PSRA Permit #361713, fence on public space at 424 11th St. NE

Dear Associate Director Marcou & Public Space Committee:

At a regularly scheduled and properly noticed meeting<sup>1</sup> on December 9, 2020, our Commission voted 7-0-0 (with 5 Commissioners required for a quorum) to send a letter of support for the above referenced item, conditional upon the fence atop the retaining wall being no higher than the current fence (36") and of similar (open, iron) construction.

Thank you for giving consideration to our ANC's feedback on this public space issue. Should you wish to discuss this letter with the Commission, please feel free to reach out to me at [amberanc6a@gmail.com](mailto:amberanc6a@gmail.com).

On behalf of the Commission,

Amber Gove  
Chair, Advisory Neighborhood Commission 6A
