

Agenda

ANC 6A Transportation & Public Space Committee Meeting

Monday, November 17, 2025 at 7:00 pm

Virtual Meeting via Zoom

For those attending via Zoom use this link: <https://dc-gov.zoom.us/j/89736733063>

Call-in Number: 1 301 715 8592

Webinar ID (access code): 897 3673 3063

One tap mobile: +13017158592,,89736733063#

Public Meeting – All are welcome

Community comment welcome; may be limited to two minutes to provide opportunity for all to speak. Community comment time will be opened after each Old and New Business item.

- I. Call meeting to order.
- II. Introductions & Announcements.
- III. Old Business
 - a. 11th Street NE and E Street NE. TSI 25-00614939 is part of 2026 Q1 prioritization. Speeding, pedestrian safety, and property damage continue to be an issue on 11th Street.
 - b. Constitution Avenue/13th Street NE/Tennessee Avenue NE. This area in front of Maury Elementary was a recent installation of arts in the right of way which may be damaged by DC Water work that is also delaying the Vision Zero Hardening at this intersection. DDOT will provide written update and may have a representative attend in person.
 - c. Atlas Court NE. This alley between 11th and 12th Streets NE and H and Eye Streets NE is extremely wide and the site of speeding and truck traffic. A resident's alley dwelling was damaged recently by truck traffic. **ANC 6A requested** DDOT traffic calming here over the summer.
- IV. Additional community comment (time permitting).
- V. Adjourn meeting.

Re: Safety Concerns at 1100 Block Atlas Court NE

Dear Director Kershbaum:

At a regularly scheduled and properly noticed meeting¹ on July 10, 2025 our Commission voted 7-0-0 (with 4 Commissioners required for a quorum) to urge DDOT to review traffic flow and take action to improve safety on the 1100 block of Atlas Court NE.

This block is frequently used by speeding cars trying to bypass a couple traffic lights on H St NE. It is two full car lanes wide which encourages speeding. There also not stop signs at the ends of each alley. The brick of the alley also continues across the pedestrian path at both alley entrances. These two features lead to cars rolling across the sidewalk at speed. There are also small brick walls on each end of the alley which make it hard for cars to see children on the sidewalk.

Multiple TSIs have been closed out with no further action taken noting that a speed limit of 15 mph suffices. There are multiple dwellings on Atlas Court with front doors that open onto the alley. Those residents have to contend with legally driving cars travelling at 15 mph two feet from their front door.

Please consider making safety improvements to this alley, including but not limited to: stop signs at the ends of the alley before the sidewalk crossings, raised crosswalks across the alley entrances, speed bumps along the alley, and planters or bollards to narrow the alley and curb speeding.

Thank you for giving great weight to the recommendations of this Commission. I can be contacted at 6A05@anc.dc.gov, and Transportation and Public Space Committee Chair Patrick Bloomstine can be contacted at 6ATPSChair@gmail.com.

On behalf of the Commission,

Dave Wethington
Chair, Advisory Neighborhood Commission 6A

Cc: Charles Allen, Council Member - Ward 6
