RE: Traffic Safety Investigation Service Request 20-00287735

Dear ██████████:

Thank you for contacting the District Department of Transportation (DDOT) regarding a Traffic Safety Investigation. This letter is to acknowledge that we have received your request regarding traffic concerns in the 1400 block of Duncan Street NE.

The investigation normally takes up to 130 days, and will involve an evaluation of the site, roadway characteristics, crash data, speed data (which will have to be collected), volume data (also collected), and any other characteristics of the roadway network that could help DDOT investigate the concerns raised in the Traffic Calming Assessment application.

Once DDOT has completed the investigation we will provide you with a response with our findings and any measures that DDOT is taking to address traffic-related issues in the area.

For further questions regarding this matter, please contact DDOT at **Connie Wheeler, Supervisory Engineering Technician of the Traffic Safety Division at connie.wheeler@dc.gov**. Please reference your Traffic Safety Investigation Service Request Confirmation Number.

Sincerely,
