RE: Traffic Safety Assessment Service Request 19-00745668

Dear Mr. [REDACTED]:

Thank you for contacting the District Department of Transportation (DDOT) regarding a Traffic Safety Assessment for traffic conditions in the 200 block of 12th Place NE

The investigation normally takes up to 130 days, and will involve an evaluation of the site, roadway characteristics, crash data, speed data (which will have to be collected), volume data (also collected), and any other characteristics of the roadway network that could help DDOT investigate the concerns raised in the Traffic Calming Assessment application.

Once DDOT has completed the investigation we will provide you with a response with our findings and any measures that DDOT is taking to address traffic-related issues in the area.

For further questions regarding this matter, please contact Connie Wheeler, Supervisory Engineering Technician at 202-671-4607 or connie.wheeler@dc.gov. Please reference your Traffic Safety Investigation Service Request Confirmation Number.

Sincerely,
