Minister Thompson,

For the past ten years you have provided a central meeting place for the Community Outreach Committee of Advisory Neighborhood Commission 6A. We want to express our sincere appreciation for the time and effort you have put in to helping us hold these public meetings. Our ANC has worked hard to represent and protect the people of the surrounding community and we appreciate your assistance.

Please extend our thanks to the members of your church family who have been so gracious in opening the building for us, especially to Mrs. Thompson.

Once again, thank you.

On behalf of the Commission,

David Holmes
Chair
