The Advisory Neighborhood Commission (ANC) is your voice in city government.

Each Ward is divided into a number of ANCs; we are in ANC 6A in Ward 6. Each ANC is in turn made up of Single Member Districts (SMDs) of approximately 2,000 residents who are represented by an Advisory Neighborhood Commissioner. Commissioners are elected to serve without pay for two-year terms. ANCs are supported by citizens willing to become involved by attending meetings and volunteering for ANC committees and activities.

What does an ANC do?

The ANC makes recommendations to the District government and Federal agencies on matters directly impacting the community. Issues include social services, transportation, public works, education, safety, health, planning, zoning, and recreation. District officials are not required to follow ANC recommendations, but must give them “great weight.”

About ANC 6A

ANC 6A meets monthly for commissioners to discuss and vote on issues

brought to their attention by citizens, city agencies, and others. ANC 6A also has committees to research issues and make recommendations to the ANC commissioners. *All meetings are open to the public, and citizens are encouraged to attend and get involved.*

ANC 6A meets the second Thursday of each month at 7 PM.
