Re: Text Amendment—Pervious Paving (Case No. 04-34)

Dear Zoning Commissioners,

At a regularly scheduled and properly noticed meeting on June 9, 2005, ANC 6A voted 7-0 (with 5 Commissioners required for a quorum) to support the text amendment to allow the use of pervious paving for certain parking and related facilities.

Pervious paving is desirable for reducing urban storm runoff to our local rivers and streams, thus reducing loadings of sediments, pollutants, and excess nutrients. Pervious paving is also a potential strategy for reducing heat island effects in the city.

If you have any questions or need further information, please contact Commissioner Cody Rice, Chair of ANC 6A's Economic Development and Zoning Committee, at 202-544-3734 or [rice6A03@verizon.net](mailto:rice6A03@verizon.net).

Respectfully yours,
